

# HELP OUR WORK LIVE ON

**By Leaving A Bequest In Your Will**

Over the years the Royal Highland & Agricultural Society of Scotland has received many legacies, both large and small, from generous benefactors wishing to support the work of the Society.

These bequests have enabled the charity to achieve a great deal... from supporting The Royal Highland Education Trust, to creating new awards and grants that inspire, innovate and invigorate our rural industry.

By including a bequest in your will, you can play an important role in ensuring that this valuable work continues, creating a lasting legacy for future generations.

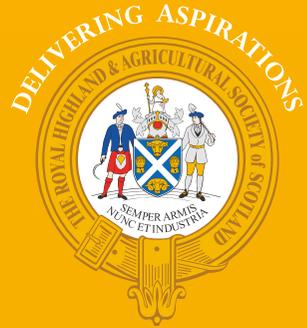

**Thank you for supporting RHASS and Scottish agriculture.**
